

Technical drawing of a sewerage network plan (DWG) showing a proposed sewer line (DN 80 mm) and existing infrastructure. The drawing includes a street layout with numerous plots and buildings. A red line indicates the proposed sewer line, starting from a manhole (MOP) and running along the street. A green line indicates the existing sewer line (DN 80 mm - cca 120 m). The drawing is labeled 'DWG' and 'DN 80 mm - cca 120 m'.
